

Space Inc.

What do we do?

Space Explore Inc. is the first company that is dedicated to safely transport human beings to the Moon or Mars and back.

Our service

For \$1,000,000 roundtrip, Space Explore Inc. will take you to your choice of Mars or the Moon and return you back to Earth. This trip will allow those besides astronauts to experience space and be given the chance to see more than just the Earth. They will be able to see the entity of the universe and just how small our beloved planet is in comparison. Call a Space Explore Inc. representative today to book your trip!

Mark Smith

Name: Mark Smith

Descriptor: If you would like to book a trip, please call Mark Smith.

Quote/Who is it: Hi everyone! My name is Mark Smith and I will be your travel agent taking care of all your needs prior to your flight. If you have any concerns feel free to contact me through my phone-number (111) 111-1111 or by visiting my office in New York City, New York, USA. I am always happy to help!

-Travis

What goals: My goal is to get you the best price possible for the trip you want to go on as well as ensure that you are prepared and ready to go the day off the flight. I will make it a smooth process for you folks.

What attitude: To make your journey pleasant, complimentary snacks and beverages will be provided. In addition, new customers will get 20% off their first journey! Book now and save!

Which behavior: Mark is our best sales rep! He's got all the deals and discounts available so make sure to ask him about those. He will even match any competition's prices for you.

Travis Stars

Name: Travis Stars

Descriptor: Travis Stars is the Pilot schedules on March 1, 2018. He will be traveling to mars.

Quote/Who is it: Hi everyone! My name is Travis Stars and I will be your pilot to Mars if you choose to come on this journey. I am a 31 year old man from Los Angeles, CA in the USA and that is where we will leave from so please plan for that. I am excited to meet you all!

-Travis

What goals: Since I was a young boy I have always been amazed by planets and outerspace and the unknown. This amazement and wonder is what led me to be a pilot. To this day, I have been on 10 trips to various planets and I am greatly looking forward to this next trip to Mars.

What attitude: To make your journey pleasant, I will point out famous stars and other planets along the way.

Which behavior: Travis has been a pilot for us for many years and loves his job. Those are his words not ours! He gets a choice on what rocket to use so he is most comfortable with it and ensures its safety as well. He enjoys getting to know his customers and ensuring they have a great time!

Brenda Johnson

Name: Brenda Johnson

Descriptor: Brenda is our customer of the month! She has been on multiple trips and continues to be a customer. Brenda describes her experience below.

Quote/Who is it: I am a frequent customer. I have been on multiple trips and have loved every single one! Space is amazing and you should visit it too!

Also they have amazing service and treat customers right.

I highly recommend their packages!! It is great for kids as well! I took my son age 16 and daughter age 7 and they loved it!

-Brenda

What goals: I want to experience space and travel to different planets and learn more.

What attitude: I want to experience space and travel to different planets and learn more.

Which behavior: I have taking trips with other companies before, but none have made me as happy as these trips!
